LAME BACKS RHEUMATISM

Another Cure By

MINARD'S
KING OF PAIN
LINIMENT

Accept my heartfelt thanks on behalf of my aged father, who for the past six months has been severely troubled with rheumatism in his left arm, so much so, that he could no longer work at his tailoring profession, and after consulting the leading specialists of this city, and trying enough so-called remedies to sink a boat, we finally made up our mind that he was a hopeless invalid. I can truthfully assert the fact that my father's paralyzed arm regained its full vigor and is to-day as well as it ever was, after using Minard's Liniment. It is really too good to be true, but nevertheless my father has never again suffered pain since using your Liniment. Very gratefully yours, Francis N. Spicola, 88 Penn St., Providence, R. I.

Minard's Liniment was prescribed by Dr. Levi Minard in his private practice fifty years ago. It is the most effective, economical, and dependable remedy for rheumatism, neuralgia, pleurisy, stiff, twisted joints, sore, strained, or lame muscles, tired, aching feet, any pain or ache, as well as for throat and lung troubles, and as a general family medicine. So pure and natural, as to be safe for children, soothing, and refreshing. Minard's Liniment has justly earned its title, King of Pain. Get it to-day. Remember, the 50-cent bottles contain three times the quantity of the 25-cent size.

JAIL GUARDED.

Fear of Another Lynching in Chattanooga.

Chattanooga, Tenn., March 28.—Because of a report Monday afternoon that a mob was being formed to lynch Hay Westfield, the condemned murderer of Lou Raines, who is in the county jail, a cordon of armed policemen and officers were stationed around the prison Monday night to prevent an outbreak. No mob appeared. While there was strong talk of lynching Westfield, it was said yesterday that the real object of the mob was to lynch Will Wilson, a negro, who had been placed in jail on a charge of killing John Edgman.

PURSUES DAUGHTER.

Father Doesn't Want Her to Be a Missionary.

Kansas City, Mo., March 28.—Miss Nina V. Brandt is speeding westward on a fast train bound for San Diego, Cal. Her father, pastor of the First Christian Church of St. Louis, is but a few hours behind on another train. Officers along the line are watching for the young woman, and the warrens of Chinabound steamships are guarded to prevent Miss Brandt going abroad. She said she was going to China to become a missionary. All efforts to dissuade her were in vain and she disappeared. She was seen here and resented her decision. Her father passed through here Monday night in pursuit.

Amsden Lime Co. Changes Hands.

Weatherford, March 28.—The property of the Amsden Lime Co. at Amsden, in this town, has been sold by G. E. Woodruff and wife to Maxwell Evans of Windsor. The property includes the lime kilns, store, three store houses, besides the store house at Cavendish depot, saw and grist mill, blacksmith shop, barns, nine tenement houses, 11 horses, two yokes of oxen, and team equipments, and other livestock, about a thousand acres of land and tools. Mr. Evans will carry out all contracts made by Mr. Woodruff.

Gift for "Miss Alice" in Dead Letter Office.

Washington, D. C., March 28.—A letter has been received at the dead letter office on Saturday addressed to Miss Alice Roosevelt, Pasadena, Cal., and containing a \$5 note. The letter was returned to Pasadena. If the sender cannot be found the money will be placed in the treasury.

ROCKEFELLER TO SEE BABY.

Will Now Be Able to Return to City and Escape Summons.

New York, March 28.—As the oil inquiry by Attorney General Hadley came to a close yesterday, it was announced that John D. Rockefeller will now be able to return to the city and see his little grand son without being bothered by subpoena servers.

When asked whether he would still attempt to have Mr. Rockefeller served with a summons, Mr. Hadley responded that the head of the Standard Oil would now be able to come and go as he pleased.

ATTACK BY FOOTPADS.

Woman Robbed and Thrown Over a Wall.

Lynn, Mass., March 28.—Mrs. Alice Walker of Philadelphia, visiting friends here, left Lynn at 7 o'clock Monday night to call on a relative on Wakefield road. Soon after she stepped from the car about 8 o'clock, at Hewlett's pond near the Walker house, two men hit her on the head and took her handbag, containing a purse with a small amount of money, a gold watch and a couple of rings. One of the men attempted to throw her into the creek. Instead they hurled her over a stone wall. She lay there until 5 o'clock, yesterday morning, in an unconscious condition. Then she was managed to get back to the road. The men on a sand car saw her and put her aboard.

She was conveyed to the town hall, where she is at present, in a serious condition.

Girlhood, Womanhood, Motherhood.

The first lesson that the young girl has of womanhood is usually a painful one. She learns to know what headache means, and backache, and sometimes is sadly borne down by this new experience of life.

All the pain and misery which young girls commonly experience at such a time may in almost every instance, be entirely prevented or cured by the use of Dr. Pierce's Favorite Prescription. It establishes regularity. It tones up the general health, and cures headache, backache, nervousness, chills, or St. Vitus's dance, and other consequences of womanly weakness or disease.

MOTHER OF THE FAMILY.

The anxious mother of the family often carries the whole burden of responsibility so far as the home medicine chest is concerned. The health of the girls or boys are concerned. The cost of the doctor's visits are very often much too great. At such times the mother is invited to write to Dr. R. V. Pierce, of Buffalo, N. Y., for medical advice, which is given free. Correspondence is held sacredly confidential.

IT STANDS ALONE.

"Favorite Prescription" is the only medicine for women the makers of which are not afraid to print just what it is made of on every bottle wrapper. It is the only medicine for women every ingredient of which has the unimpeachable endorsement of all the leading medical writers of this country, recommending it for the cure of the very same diseases for which this "Prescription" is advised.

A MOTHER'S LOVE.

A mother's love is so divine that the roughest man cannot help but appreciate it as the crown of womanhood. However, motherhood is often looked forward to with feelings of great dread by most women. At such times a woman is nervous, dyspeptic, irritable, and she is in need of a uterine tonic and nerve, a strength builder to fit her for the ordeal. No matter how healthy or strong a woman may be she cannot but be benefited by taking Dr. Pierce's Favorite Prescription to prepare for the event. It makes childbirth easy and often almost painless.

DR. PIERCE'S FAVORITE PRESCRIPTION is a powerful, invigorating tonic. It imparts strength to the whole system and to the womb and its appendages in particular. For overworked "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers and feeble women generally. Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

A STRENGTHENING NERVE.

"Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, prostration, neuralgia, hysteria, spasms, chills, or St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

A SCIENTIFIC MEDICINE.
